No.1(11)ANF/DDR/26-JUN/2022 -5057 Date 6 Jun, 2022

To The Chairman HEC
Islamabad

The Director General (Coord) HEC
Islamabad

Info The Joint Director (DDR & PR Dte)
HQ ANF
Rawalpindi

Sub: **26 JUNE – INT'L DAY AGAINST DRUG ABUSE & ILLICIT DRUG TRAFFICKING**

1. Anti Narcotics Force is striving hard on multiple fronts including conducting enforcement operations against narco mafia, undertaking awareness/ prevention campaigns and providing free rehabilitation treatment to drug addicts. The grave threat to narcotics can be effectively confronted by ANF only with the support of all segments of society especially Government and Private functionaries.

2. Menace of drug abuse is a global concern and Pakistan is no exception. Proliferation of drugs and psychotropic substance is an emerging challenge which poses grave threat to the life of masses in general and youth in particular. Globally, 26 June is observed as "Int'l Drug Day Against Drug Abuse & Illicit Drug Trafficking" every year. Therefore, it is the most appropriate occasion for creating mass awareness against drug abuse across the society.

3. In this background, ANF RD North intends to create awareness campaign through ANF Public Messages **SAY NO TO DRUGS/** /نشے سے انکار زندگی سے پیار منشیات سے پاک محفوظ پاکستان. Hard copies are attached herewith and soft copies will be shared through email/ whatsaap as per your convenience to display/ on-air messages on all Universities (Public & Private) on LED/ Screens, HEC Web TV & social media pages as part of mass awareness program. It is requested to make necessary arrangements to show your social concern in order to eradicate from the society about the menace of use of drugs. ANF has always immense respect of your upright organization for continuously support as a noble cause.

4. Forwarded for favorable action in this regard, please.
