

Workshop on APA Style & Formatting

APA (American Psychological Association) is widely used standard academic formatting style. APA style is the well-known and highly applied standard in higher education for research proposals, thesis, dissertations, and research papers written for the journals in many academic disciplines, especially in the social sciences domains. The workshop focuses not only on the APA style rules but it is also activities related to APA formatting.

and research papers the journals in many disciplines the social learning involve
