10. Re-admission (Struck off / Ceased)

10.1 Re-admission (Struck off)

It has become very common practice that the students leave the university without intimation/leave/semester freeze. Sometime this absence stretches up to 2 semesters. This gap has to be regularized to continue their studies. This practice is against the norms and disciplines of the university. Following is required to streamline the system/procedure.

- a. After absence of 7 x days, department should inform the student/guardian. If this absence prolongs more than 10 x days, case may be initiated to strike off the name of student from university roll.
- b. After approval, name may be struck off and copy of the same should be sent to all concerned.
- c. Individual/piecemeal cases for approval of regularization of missing period may be discouraged at all levels.
- d. Re-admission fee of Rs. 10,000/- be fixed for the struck off student.

10.2 Re-admission (Ceased)

At present there is no provision of readmission for those who, for some reason (accidents, chronic illness, ceased in studies, rejection in final via voce, etc.) cannot continue their regular studies. NUML needs to adopt this policy as students suffer from financial loss and depression when they see no hope for resuming their studies.

Proposed SoPs for Re-admission

A ceased or Absent-ceased student may seek re-admission only once for a degree program subject to following conditions:

- i. Re-admission is granted in a subsequent semester only.
- ii. Re-admission is granted with minimum CGPA:

- iii. The student has to pay prescribed Re-admission fee in addition to regular semester fee.
