To Whom It May Concern

Ms. Maria Amir D/O Muhammad Amir (Bearing Registration No. ML-ISB-FL12/MBAN-4939) was my student in her MBA during Feb 2013 – June 2016. I found her hard working and honest to her studies. She has done very well and obtained good grades in these subjects both in theory and practical, you can see her Detailed Marks Sheet.

She has always shown deference and behaved decently with her teachers. The most important thing about her personality is flexibility and adaptability. She keeps involving, learning and taking good things in. Her personality changes according to her surrounding people and environment. Her greatest pleasure is to challenge herself. Whenever she makes mistakes unintentionally, she redresses them without any delay. Besides this, she can work independently as well.

She is strengthening her academic proficiency by pursuing her higher studies. I do not feel any hesitation in stating that she can perform well in research studies if she gets a proper platform. That is why I am recommending her for further higher studies.
