### (Student Guidelines)

#### **Change of Shift from Afternoon to Morning.**

The competent authority decided that students admitted in afternoon program may be allowed to change from afternoon to morning shift on following conditions: -

- a. They should be among top three of the program they were studying in the previous semester.
- b. Transfer will not be in the semester they are admitted in the programs.
- c. They should have passed all the courses offered in the semester with minimum 75% of aggregate marks.
- d. There should not be any disciplinary case against them in NUML.
- e. 75% attendance is also mandatory in the previous semester.
- f. Shift charges will also be applied.
- g. Willingness and clear recommendations of concerned HoDs is also necessary.
- h. Only one student among top three of the program will be entertained for the change of shift.
