Subject: - INVITATION OF STANDARDS EXPERTS [GRADES 9-12]

The National Curriculum Council (NCC) Secretariat is currently steering curriculum reforms (ECE-Grade 12) with the aim of promoting quality education for all children across Pakistan. In response to a call for experts to support this consultative and comprehensive exercise, the NCC Secretariat received nominations of subject experts from multiple public, private and non-profit organizations. We are humbled by the vigor with which the education community has lent its support to this national cause.

2. Standards for ECE-Grade 8 were successfully updated and finalized. We now look forward to the insight and guidance from implementation experts at your organization for updating Standards for Grades 9-12. As a first step towards this end, **NCC Secretariat is inviting Standards Experts as our thought partners to a Strategy Team Meeting.**
